Dear Parent / Guardian,

PRELIMINARY EXAMINATION 2022 (Sec 4 Empathy/ Respect / Integrity/ Discipline and Sec 5 Passion)

Our school will be holding the Preliminary Written Examination from **22 August to 31 August** for our "O" level classes. Their Science Practical Preliminary Examination will be held on selected days from **16 August to 19 August**.

The Preliminary Examination is a 'rehearsal' for the "O" Level examinations. It provides students with the opportunity to know how much they know, and how much they still do not know. Therefore, students are strongly encouraged to prepare for the Preliminary Examination well.

From now onwards, our students ought to **focus their energy and attention on getting themselves ready for their national examinations. Choosing to have enough rest and choosing to put aside distractions (eg gaming, social media etc) will help them to achieve their learning potential in the next 3 months.**

The "O" Level Science Practical Examinations will begin from 3 October 2022.

The "O" Level Written Examinations will begin from 17 October 2022 with Mathematics (Paper 1).

In addition, please take note of the following:

- a) Your child is expected to report to school at the usual reporting time for flag-raising unless stated otherwise.
- b) If your child is late, he/ she may not be allowed to sit for the paper.
- c) Students who are exempted from taking Mother Tongue do not need to report to school on the day(s) of the Mother Tongue paper.
- d) If your child is absent, he/ she must submit a medical certificate issued by a medical officer registered with the Singapore Medical Council, to the Class Mentor.
- e) A zero mark may be awarded for the paper that your child is absent if truancy or deliberate absence is established.
- f) All students are expected to be in proper school attire and they may leave school after their last paper for the day.
- g) Students have to switch off their electronic communication devices (including mobile phones and smart watches) at their examination venue. Not doing so will be considered as having the intention to cheat during examination.
- h) Students who have not demonstrated integrity during the examination will be given zero for the paper and may face other disciplinary consequences.

Lessons will resume on 1 September 2022 (Thursday).

Thank you for your kind attention.

Mr Chan Yew Wooi
Principal
